

National Anthem

God save our gracious Queen!
Long live our noble Queen!
God save the Queen!
Send her victorious,
Happy and glorious,
Long to reign over us,
God save the Queen.

Thy choicest gifts in store
On her be pleased to pour,
Long may she reign.
May she defend our laws,
And ever give us cause,
To sing with heart and voice,
God save the Queen

Delilah

I saw the light on the night that I passed by her
window
I saw the flickering shadows of love on her blind
She was my woman
As she deceived me, I watched and went out of my
mind

My, my, my, Delilah
Why, why, why, Delilah

I could see, that girl was no good for me
But I was lost like a slave that no man could free

At break of day when that man drove away, I was
waiting
I crossed the street to her house and she opened the
door
She stood there laughing
I felt the knife in my hand and she laughed no more

chorus

So before they come to break down the door
Forgive me Delilah, I just couldn't take anymore

She stood there laughing
I felt the knife in my hand and she laughed no more

chorus

So before they come to break down the door
Forgive me, Delilah, I just couldn't take anymore
Forgive me, Delilah, I just couldn't take anymore

Que sera, sera

When I was just a little girl
I asked my mother, what will I be
Will I be pretty? Will I be rich?
Here's what she said to me

Que sera, sera
Whatever will be, will be
The future's not ours to see
Que sera, sera
What will be, will be

When I grew up and fell in love
I asked my sweetheart what lies ahead?
Will we have rainbows day after day?
Here's what my sweetheart said

Chorus

Now I have children of my own
They ask their mother, what will I be
Will I be handsome? Will I be rich?
I tell them tenderly

Chorus

Rolling in the deep

There's a fire starting in my heart
Reaching a fever pitch, it's bringing me out the dark
Finally I can see you crystal clear
Go 'head and sell me out and I'll lay your ship bare

See how I'll leave with every piece of you
Don't underestimate the things that I will do
There's a fire starting in my heart
Reaching a fever pitch and it's bringing me out the
dark

1. The scars of your love remind me of us
They keep me thinking that we almost had it all
The scars of your love they leave me breathless
I can't help feeling
2. We could've had it all
Rolling in the deep
3. You had my heart inside
Of your hands
And you played it
To the beat

Baby, I have no story to be told
But I've heard one on you, now I'm gonna make your
head burn
Think of me in the depths of your despair
Make a home down there, as mine sure won't be
shared

chorus 1 & 2 & 3

chorus 2

Throw your soul through every open door (whoa)
Count your blessings to find what you look for (whoa)
Turn my sorrow into treasured gold (whoa)
You pay me back in kind and reap just what you've
sown

We could've had it all
We could've had it all It all, it all, it all
We could've had it all
Rolling in the deep

chorus 2 & 3

We are the Champions

I've paid my dues time after time
I've done my sentence but committed no crime
And bad mistakes, I've made a few
I've had my share of sand kicked in my face
But I've come through

And we mean to go on, and on, and on, and on

*We are the champions, my friends
And we'll keep on fighting till the end
We are the champions, we are the champions
No time for losers, 'cause we are the champions of the world*

I've taken my bows and my curtain calls
You brought me fame and fortune
And everything that goes with it, I thank you all

But it's been no bed of roses, no pleasure cruise
I consider it a challenge before
The whole human race and I ain't gonna lose

And we mean to go on, and on, and on and on

chorus

chorus

Sweet Caroline

Where it began, I can't begin to knowing
But then I know it's growing strong
Was in the spring
And spring became the summer
Who'd have believed you'd come along

Hands, touching hands
Reaching out, touching me, touching you

*Sweet Caroline
Good times never seemed so good
I've been inclined
To believe they never would
But now I*

Look at the night and it don't seem so lonely
We filled it up with only two
And when I hurt
Hurting runs off my shoulders
How can I hurt when holding you

One, touching one
Reaching out, touching me, touching you

chorus

Oh no, no

Sweet Caroline
Good times never seemed so good
Sweet Caroline
I believe they never could
Sweet Caroline
Good times never seemed so good

Here comes the Sun

Here comes the Sun, doo-doo-doo-doo
Here comes the Sun and I say
It's all right

Little darling
It's been a long cold lonely winter
Little darling
It feels like years since it's been here

Here comes the Sun, doo-doo-doo-doo
Here comes the Sun and I say
It's all right

Little darling
The smiles returning to the faces
Little darling
It seems like years since it's been here

Here comes the Sun
Here comes the Sun and I say
It's all right

Sun, Sun, Sun, here it comes
Sun, Sun, Sun, here it comes
Sun, Sun, Sun, here it comes
Sun, Sun, Sun, here it comes
Sun, Sun, Sun, here it comes

Little darling
I feel that ice is slowly melting
Little darling
It seems like years since it's been clear

Here comes the Sun (doo, doo, doo)
Here comes the Sun and I say
It's all right

Here comes the Sun (doo, doo, doo)
Here comes the Sun
It's all right
It's all right
